1. **Information We Collect**

Our Website typically collects two kinds of information about you: (a) information that you provide which personally identifies you; and (b) information that does not personally identify you which we automatically collect when you visit our Website or that you provide us.

1. **Personally Identifiable Information:** Our definition of personally identifiable information includes any information that may be used to specifically identify or contact you, such as your name, address, e-mail address, phone number, etc. As a general policy, to facilitate the use of Astro Distributing & Leasing, Inc. content, you must provide personally identifiable information when registering. information about you from information that you provide us, either separately or together with your personally identifiable information. We also automatically collect certain non-personal information from you when you access our Websites. 2. **How We Use & Share the Information Collected**

1. **Personally Identifiable Information:** Astro does not collect personally identifiable information or non-personal information. The only information we will collect will be provided by the customer via email.

Web servers (computers that "serve up" web pages) automatically identify your computer by its IP address. When visitors request pages from our Websites, our servers typically log their IP addresses. We collect IP addresses for purposes of system administration, to report non-personal aggregate information to others, and to track the use of our Website. IP addresses are considered non-personal information and may also be shared as provided above. We reserve the right to use IP addresses and any personally identifiable information to identify a visitor when we feel it is necessary to enforce compliance with our Website rules or to: (a) fulfill a government request; (b) conform with the requirements of the law or legal process; (c) protect or defend our legal rights or property, our Website, or other users; or (d) in an emergency to protect the health and safety of our Website's users or the general public.

For security reasons, we do not recommend that you send non-public personal information, such as passwords, social security numbers, or bank account information, to us by email. However, aside from our reply to such an email, it is not our standard practice to send you email unless you request a particular service or sign up for a feature that involves email communications, it relates to purchases you have made with us (e.g., product updates, customer support, etc.), we are sending

you information about our other services, or you consented to being contacted by email for a particular purpose. In certain instances, we may provide you with the option to set your preferences for receiving email communications from us; that is, agree to some communications but not others.

3. **Transfer of Assets:** As we continue to develop our business, we may sell or purchase assets. If another entity acquires us or all (or substantially all) of our assets, the personally identifiable information and non-personal information we have about you will be transferred to and used by this acquiring entity. Also, if any bankruptcy or reorganization proceeding is brought by or against us, all such information may be considered an asset of ours and as such may be sold or transferred to third parties.
4. **Other:** Notwithstanding anything herein to the contrary, we reserve the right to disclose any personally identifiable information or non-personal information about you if we are required to do so by law, with respect to copyright or other intellectual property infringement claims, or if we believe that such action is necessary to: (a) fulfill a government request; (b) conform with the requirements of the law or legal process; (c) protect or defend our legal rights or property, our Website, or other users; or (d) in an emergency to protect the health and safety of our Website's users or the general public.

4. **Public Forums**

We may offer chat rooms, blogs, message boards, bulletin boards, or similar public forums where you and other users of our Websites can communicate. The protections described in this Privacy Policy do not apply when you provide information (including personal information) in connection with your use of these public forums. We may use personally identifiable information and non-personal information about you to identify you with a posting in a public forum. Any information you share in a public forum is public information and may be seen or collected by anyone, including third parties that do not adhere to our Privacy Policy. We are not responsible for events arising from the distribution of any information you choose to publicly post or share through our Websites.

5. **Keeping Your Information Secure**
